Pursuant to this Court’s February 3, 2011 Order [Dkt. #13], defense counsel was to advise the Court regarding the number of defendant’s employees. Arbor Management, LLC (“Arbor”), respectfully submits this report concerning Arbor’s employee numbers.

Arbor’s employee numbers are broken up into two categories: (1) office employees and (2) employees at the household. In 2008, Arbor never had more than twelve total employees: five at the office and seven at the household. In 2009, Arbor never had more than ten total employees: four at the office and six at the household. Currently, Arbor has nine total employees: four at the office and five at the household. Additionally, Arbor serves as the payroll facilitation company for many other related entities. Because of this status, Arbor issues payroll checks to hundreds of individuals employed by other Arbor-related entities.
